Rwamwanja Refugee Camp - Uganda

On July 26 of this year
Revealing Light Ministries
took a team of 10 people
to minister to some of the
75,000 Congolese
refugees that live in the
camp.

**Our mission was
twofold. We held
leadership training
for over 500 pastors
from in and around
the camp.**

**We also did a needs
assessment to
determine what
humanitarian
assistance was most
needed and to
prepare logistically
for future missions.**
